OBJECTIVE

To purpose a challenging and exciting career while dispensing my maximum potential to the benefit of the organization and at the same time completing my passion of learning new things. A highly motivated and hardworking in a reputable Organization.

PROJECTS

***Authentication By Encrypted Negative Password.**

Led a project by using the hashed password is converted into a negative password. Finally, the negative password is encrypted into an Encrypted Negative Password (abbreviated as ENP) using a symmetric-key algorithm (e.g., AES), and multi- iteration encryption could be employed to further improve security.

***Subjective Answer Evaluation Using Natural Language Processing.**

Led a project using NLP techniques to analyze the content and structure of the response, in order to identify key concepts and arguments and assess their relevance and coherence with the question prompt.
